It is with pleasure that I offer comments on behalf of Ms. Simona Arneodo. Simona was employed by my husband, Steven, and myself as a Maternity Nurse/Consultant.

Our initial goal was to establish a feeding and sleeping routine for our baby. Simona's knowledge and experience helped us to do this with ease.

She also taught us numerous invaluable baby "tips." Additionally, and of equal importance to us, Simona was a delight to be around and easily fit in with our family. We will indeed miss her presence and look forward to employing her again with our next child.

It is without reservation that I recommend Simona as a Maternity Nurse/Consultant. We are greatly appreciative for all that she did for us.
